## 2016-YEAR IN REVIEW

The following is a list of agency and community-wide efforts impacting persons experiencing homelessness and those at risk of homelessness that were organized by the coalition and/or reported by community partners at Denton County Homeless Coalition meetings.

- ❑ 2016 PIT Count was completed January 21, 2016. The annual count provides a snapshot of homelessness in Denton County. Highlights:
  - 230 persons surveyed. The median length of homelessness was 1 year with a range of 6 days to 37 years. Over 17% had an alcohol or substance abuse issue, and nearly 26% were employed full-time. For more:

- ❑ The new Homeless Coordinator position jointly funded by the City of Denton and United Way of Denton County was filled February 8, 2016.
- ❑ Open Data Days focus on using open data to solve a community problem. Homelessness was one of the community issue featured during Denton Open Data Day on March 5, 2016. The group looked at homelessness by analyzing PIT Count raw data from 2013-2016.
- ❑ A Landlord Summit was held March 31, 2016. Hosted by Giving Hope, Inc., the event focused on educating and engaging private landlords to help increase housing options for persons experiencing homeless and those at risk of homelessness.
- ❑ The State of Homelessness event was held April 21, 2016. Event featured a review of local homelessness initiatives, data and trends from the PIT Count, and a report detailing findings from the Street Outreach program.
- ❑ United Way of Denton County created its next collective impact initiative, the Denton County Homeless Leadership Team (HLT). The HLT, supported by the Homeless Coordinator, brings together community leaders working to make homelessness in Denton County rare, brief and non-recurring. <http://www.unitedwaydenton.org/DCHLT>  
Highlights:
  - HLT's inaugural meeting was held May 5, 2016.
  - Immediately HLT approved leadership, membership, vision/mission, bylaws and charter. Taking quick action, it formed Housing, Data and Consumer workgroups. Because of alignment in objectives, the Denton County Behavioral Health Leadership Team's Housing workgroup was merged with the HLT housing workgroup to create one unified group working on housing solutions.
  - Upon recommendation of the Housing workgroup, a Housing pilot project for persons experiencing homeless with co-occurring mental health and substance abuse disabling disorders has been developed and adopted. It will begin accepting referrals in January 2017.

*Disclaimer: There are many positive things happening around the community directly and indirectly benefiting homelessness activities. Any event or item not included in this review was not intentional. If you would like to see a topic added to this report, please submit ideas year-round to [dchcinfo@gmail.com](mailto:dchcinfo@gmail.com).*

- Upon recommendation from the Data workgroup, HLT has approved a homeless definition and system data performance measures that will help establish important baseline measures for evaluating homelessness in Denton County.

\*(as of 12/2016)

- In July, 2016 the community received notice that HUD ESG Emergency Solutions Grant will not be funded in 2016-17 resulting in a loss of \$600,000 in local funding for Street Outreach, Homelessness Prevention, Rapid Rehousing and Emergency Shelter services for the 2016-17 program year.
  - News of the loss results in increased press coverage and more awareness of funding for homelessness and housing initiatives in the community.
  - Funding loss results in staff layoffs and potential future program restructuring. Full impacts are still to be determined.
  - As a result, City of Denton, City of Lewisville and the County Commissioner's Court provide one-time, stop-gap funding totaling \$399,500.
  - Funding loss also creates urgency for the community to look at unified housing response systems for persons experiencing homelessness.
- HUD Emergency Solutions Grant funding in 2015-16 ended September 30, 2016. The \$600,000 in funds supported Street Outreach, Homelessness Prevention, Rapid Rehousing and Emergency Shelter services in Denton County. Highlights:
  - 1391 persons (1039 households) were served in all supported programs. 123 in Street Outreach, 878 in Shelter, 202 were prevented from homelessness, and 188 were served in rapid rehousing.
  - 30% were children.
- Veterans Summit, an annual summit on housing and supportive services for veterans, was held September 15, 2016.
- The second Annual Veteran Stand Down was held in October 20, 2016. The event's theme was "Providing a Hand up, Not a Hand Out". It included distribution of supplies and services to homeless veterans.
- The Denton County Homeless Leadership Team hosted the first Homeless Summit in Denton County in an effort to expand the conversation around the need for affordable, accessible housing in Denton County. More than 100 people participated in the event.
- DCHC updated the coalition's policies and procedures. Policies were approved by the General Body. Simultaneously, the election process was also updated to adjust terms to an annual calendar, January – December.

- ❑ DCHC Steering Committee, partnering with the Texas Homeless Network, rebooted the Coordinated Access pilot. Rebranded as Coordinated Entry (CE), the program engages community agencies to centralize the process of housing persons experiencing homelessness through a shared vulnerability assessment and housing prioritization list. DCHC recruited and put in place a Coordinated Entry Transition Team (CETT) to complete implementation. Additionally, a VISTA supported by the Texas Homeless Network and Denton Affordable Housing Corp is placed with United Way to help with CE implementation.
- ❑ Because the PIT Count is DCHC's most well known data tool for understanding the number of persons experience homelessness and current needs, the DCHC Steering Committee adds the PIT Count as a regular standing committee in its policies and procedures. To reinforce HUD Funding requirements, DCHC makes it a requirement for locally HUD funded programs to participate in PIT planning and implementation.
- ❑ Seeking to improve the media awareness and access to homelessness information, DCHC developed and approved a media contact list in 2016. The list was distributed and is accessible through the DCHC website and social media.
- ❑ Denton Housing Authority broke ground on a 322 Unit Affordable Housing Tax Credit Development. This development will increase the number of below market rate rent housing units in Denton. Development expected to be complete in late 2017.
- ❑ Denton Housing Authority received 10 HUD VASH vouchers in 2016 increasing available housing subsidies for homeless veterans in Denton County.

***In the Media: Denton Record Chronicle***

DRC featured regular articles and editorials in 2016 related to homelessness.

**HIGHLIGHTS FROM SOME COMMUNITY PARTNERS**

- ❑ Monsignor King opens in a new facility provided by the City of Denton and is in the process of renovation to expand the shelter to 100+ overnight beds. In 2016 it quickly added Monday and Tuesday to be open weekly in addition to the inclement weather nights.
- ❑ Leadership Denton 2016 class took on affordable housing as its annual project.
- ❑ Our Daily Bread served its 700,000<sup>th</sup> meal on September 12, 2016.

**LOOKING AHEAD TO 2017 AND BEYOND**

Looking ahead, a Denton County Homeless Coalition that working in alignment is well positioned to continue building an effective system response to homelessness. It is going to require continued engagement and ongoing support from DCHC members. Stay informed, stay engaged and stay active to help ensure homelessness is rare, brief and non-recurring.
